Get ready for an exciting new season of Kids Dig Science! This season, we're diving into the fascinating worlds of genetics, artificial intelligence and robotics, and dinosaurs.

Each topic will come to life through a comical and interactive puppet show, designed to ignite curiosity and inspire young minds. Through this fun-filled performance, kids will explore scientific concepts and help solve challenges alongside our puppet friends. This show promises to entertain and educate, sparking a love for science in all who attend.

Kish Kush

Dates and Time
Friday, 28th March 2025, 9.30am and 11.30am
Saturday, 29th March 2025, 11am and 5pm

Spazju Kreattiv Theatre

Kish Kush follows the journey of two characters as they move from solitude to connectedness.

Separated by a three-foot-high paper wall that divides the space, the performance explores the universal theme of cultural and linguistic differences. The audience, seated in the round with only a partial view of the stage, becomes part of this intimate exploration.

Art Jam is a hands-on programme where participants explore exhibitions and learn about the curatorial process.

They also create their own art inspired by contemporary works.

The summer bootcamp features six art workshops where children explore contemporary art and create inspired works.

Over the course of six weeks, they also curate a final showcase. The final exhibition will run from Saturday, 9th August to Sunday, 14th September 2025.
